Math Dojo Open Source License Agreement

License Type: Open Source
License Duration: Perpetual
Jurisdiction: International

---

1. Grant of License

By using or distributing **Math Dojo** (the "Game"), you are granted a non-exclusive, non-transferable, and royalty-free license to use, modify, and distribute the Game **solely for non-commercial purposes**. The Game must be used in accordance with the terms outlined in this license.

2. Permitted Uses

You may:

- Download, install, and use **Math Dojo** on Android and iOS devices for personal and educational purposes.
- Modify the Game's source code for **non-commercial** purposes, as long as you comply with the attribution requirements stated below.
- Share the Game or modified versions of the Game only for non-commercial purposes.

3. Restrictions

You may **not**:

- Resell, rent, lease, or redistribute the Game or any modifications for commercial purposes.
- Use **Math Dojo** in a way that violates the brand, including but not limited to using the Game in offensive or illegal ways.
- Reverse-engineer, decompile, or disassemble the Game's code, except to the extent that such actions are expressly permitted by applicable law.

4. Attribution

When distributing the Game or any derivative works, you must include the following credits:

- Credit **Code.org**, **Johnny Yan**, **Juan Matildes**, and **Wahidur Apu** for their contributions.

- Include a prominent attribution notice wherever the Game is used or distributed, including in any documentation, source code, or user interface.

Example attribution:
"Math Dojo is a game developed by **Code.org**, **Johnny Yan**, **Juan Matildes**, and **Wahidur Apu**. This version is made available under the **Math Dojo Open Source License**."

5. Third-Party Assets

The Game may include assets licensed from third parties, such as **canva.com** for graphics or other media. You must comply with the licensing terms for any third-party materials, and those materials are not subject to this license.

6. No Warranty

The Game is provided **"as-is"**, and the copyright holders make no representations or warranties regarding the functionality, performance, or reliability of the Game.

7. Contact Information

If you have any questions or inquiries regarding the license, please contact:
Wahidur Apu
Email: apuwahidur3@gmail.com
Phone: +1 470-662-7354

8. License Termination

This license is perpetual unless terminated by the copyright holder. If you violate any of the terms of this license, the license will automatically terminate, and you must cease using or distributing the Game.

By using or distributing Math Dojo, you agree to the terms of this license.
